Dear Steve,

Welcome back! We're glad you've decided to spend another year with the International Society of Arboriculture. You will continue to have access to all of the member benefits you've come to expect from us, plus even more exciting things as we expand our services to you.

One of the new things coming this year is the Ask-a-BCMA Knowledge Center. ISA members will be able to send their toughest tree care questions to ISA Board-Certified Master Arborists and receive a timely expert response. Look for this, our new Online Learning Center, and more coming your way soon!

If you haven't already tapped into the networking opportunities offered by your local ISA chapter, we encourage you to look into joining today. Depending on your area of practice, you might also find that one of our professional affiliates is the perfect complement to your ISA membership. As always, if you have any questions, the ISA staff is waiting to assist you. From North America, call 1-888-472-8733. From anywhere in the world, you can reach us at 1-217-355-9411 or membership@isa-arbor.com.

Your current membership card is below. Keep it handy when placing orders online or over the phone to be sure to get your member discount on ISA products, services, and event registrations.

Sincerely,

Ian Scott
ISA Membership Committee Chair
