

**CURRICULUM-READY
ACTIVITIES & LYRIC SHEETS
JK - K - G1 - G2 - G3**

April 04, 2020

Join Jeremy Fisher Junior on Facebook Live for a concert series kids, families, and teachers will love! Every Saturday at 11am ET, come sing, dance, and learn with JUNO-nominated singer-songwriter Jeremy Fisher. With a selection of music from his children's album as well as his folk-rock catalogue, these concerts truly are for all ages.

Kids will get curriculum-ready chances to learn about a new instrument each week, dance to the rhythm, and practice their rhyming. Parents and caregivers can help kids play along at home with their own instruments, read along with lyric sheets posted in advance, and take part in directed drawing activities based on Jeremy's music. Learn how emotions, nature, and other art inspire Jeremy's songwriting! Jeremy responds to comments in the livestream and on his social media. And everyone will love the catchy melodies and clever wordplay of Jeremy's songs.

Make Saturday mornings special with Jeremy Fisher Junior's Saturday Morning Special, live from his home to your home at facebook.com/JeremyFisherJunior.

Bizzy Bee

Lyrics by Jeremy Fisher

You got a yellow jacket with black stripes
You got a little stinger but you don't bite
You live in the kingdom of the Queen Bee
One big honeycomb family

All day long, working so hard, buzz your song

Bizzy, bizzy, bizzy, bizzy. bizzy, bizzy bee
Visit all the flowers that you can see
Bizzy, bizzy, bizzy, bizzy. bizzy, bizzy bee
Makin' all the honey, puttin' apples on the trees
Makin' all the honey, puttin' apples on the trees

One, two, three, four, five, six, seven, eight
Get your feet wet and pollinate
From the watermelon to the grape vine
You make the summer time come alive

All day long working so hard, buzz your little song

buzz, buzz, buzz, buzz

BUZZ! BUZZ!

This is the Good Life

Lyrics by Jeremy Fisher

Oh, oh, oh, oh, the places you will go
My, my, my, we're gonna walk across the sky
We will be adventurers
Like they were centuries ago
And find a place to call our own

Cause this is the good life
This is the good life
Where we get together, this day will last for ever
Oo,oo,oo,oo,oo

Hey, hey, hey, we got it all, we got it made
Oo,oo,oo, Laverne and Shirley, me and you
Nothing is impossible
When reality is a dream
There's no where else I'd rather be

Cause this is the good life
This is the good life
Where we get together, this day will last for ever
Oo,oo,oo,oo,oo

Oh, oh, oh, oh
These are the good old days my friend
Oh, oh, oh, oh, and these days will never end
Never end

This is the good life
Where we get together, this day will last for ever
Oo,oo,oo,oo,oo
This is the good life
This is the good life
Where we get together, this day will last for ever

Oo,oo,oo,oo,oo
This is the good life

Raindrops

Lyrics by Jeremy Fisher

Hey little raindrop

falling down

Swim in the river

‘round and ‘round

Run into the seven seas

Ride on a wave,

come back to me

*This song can be sung in a round. Divide into two groups and once the first group has finished the first line, the second group starts

Down at the Library

Lyrics by Jeremy Fisher

Twiddle-dee-dum, twiddle-dee-dum
Let's go to the library
You can find a book that you want to read
Down at the library

I wanna read about dinosaurs
I wanna read about dinosaurs
I wanna read about dinosaurs
I wanna read about them all day long
I can hear them roar

I wanna read about chimpanzees
I wanna read about chimpanzees
I wanna read about chimpanzees
I wann read about them all day long
swingin' in the trees

I wanna read about outer space
I wanna read about outer space
I wanna read about outer space
I wanna read about it, maybe one day
I'll go to that place.

Lyrics by Jeremy Fisher

Dear ol' Sula
Knew I'd lose ya
I ain't been waitin' for you

All the songs to sing been sung
All the things to do been done
You got nowhere left to go

All the dreams to dream been dreamed
All the things to see been seen
Guess you better find your way back home

Dear ol' Sula
Knew I'd lose ya
I ain't been waitin' for you

All the songs to sing been sung
You can't take the honey
If you don't get stung
Stinger bee sing a bird a song

All the dreams to dream been dreamt
In my bones you never left
Ain't it bittersweet
Like Home sweet home

Dear ol' Sula
Knew I'd lose ya
I ain't been waitin' for you

Dear ol' Sula
Knew I'd fool ya
I ain't been waitin' for you
I ain't been waitin' for you
I ain't been waitin' for you

Halloween Bear

Lyrics by Jeremy Fisher

Halloween Bear, Halloween Bear
Dresses up for Halloween every single year
Halloween Bear, Halloween Bear
Never could she ever give anyone a scare

In first grade, she dressed up as a silly clown
With a giant red nose and a wig upon her crown
She knocked on Missus Simpson's door and tried to give a fright
Missus Simpson said, "Well, ain't you sweet,"
And laughed with great delight

Halloween Bear, Halloween Bear
Dresses up for Halloween every single year
Halloween Bear, Halloween Bear
Never could she ever give anyone a scare

In second grade, she went as a ghost back from the dead
Cut two holes in a sheet and pulled it right over her head
When Mister Reid opened the door,
She jumped and yelled, "Boo"
He said, "Hey it's a snowman,
Would you like a candy bar or two?"

Halloween Bear, Halloween Bear
Dresses up for Halloween every single year
Halloween Bear, Halloween Bear
Never could she ever give anyone a scare

Discouraged, in the third grade, she went out as herself
No costume on when she came upon a spooky, haunted house
She beamed a friendly smile, showing all her sharpest teeth
And every soul in the haunted house started to scream

Halloween Bear, Halloween Bear
Dresses up for Halloween every single year
Halloween Bear, Halloween Bear
Acting like herself gave everyone a scare
Acting like herself gave everyone a scare

Turtle and Guy

Lyrics by Jeremy Fisher

CHORUS **There's a guy named turtle and a turtle named guy**
Share a little house on the Lower East Side
Nap all day, sleep all night
A guy named Turtle and a turtle named Guy
Oh why, oh why?

At breakfast time somebody called on the phone
They said, "Hey, is Turtle home?"
Guy looked at Turtle and Turtle looked at Guy
"Is it for you, or is it for I?"

CHORUS

At snack time someone called on the phone
They said, "Hey, is Guy home?"
Turtle looked at Guy and Guy looked at Turtle
"How will we ever get over this hurdle?"

CHORUS

At lunch time someone called on the phone
They said, "Hey, is Raffi home?"
Guy looked at Turtle who eating a cucumber and said
"I think they must have the wrong number!"

CHORUS

At supper time someone called on the phone
They said "Hey is anybody home?"
Guy looked at Turtle and Turtle looked at guy
and it took them a second to realize...
"Telemarketer, no thank you,"

CHORUS

Before You Go

Lyrics by Jeremy Fisher

Before you go
Before you go

I want to thank you
I feel better

And I hope
You enjoyed our
time together
