I'd Rather Be A Donut

Lyrics by Jeremy Fisher

I'd rather be a donut than a hole
I'd rather be a donut than a hole
I'd rather be sweet
than the part you don't eat
I'd rather be a donut than a hole

I'd rather be water than a drain
I'd rather be water than a drain
I'd rather be a drink
than the bottom of a sink
I'd rather be water than a drain

Whoa-oh-oh-oh

I'd rather be the moon than space
I'd rather be the moon than space
I'd rather be something
than a whole lotta nothing
I'd rather be the moon than space

Whoa-oh-oh-oh

I'd rather be a donut than a hole
I'd rather be a donut than a hole
I'd rather be sweet
than the part you don't eat
I'd rather be a donut than a hole

Whoa-oh-oh-oh

Singing On The Sidewalk

Lyrics by Jeremy Fisher

This rain might wash me away
But the sun might burn my face
This corner chews me up, spits me out,
picks me up, tears me down

I don't count my sins 'cause I don't want to count on anything
In case it chews me up, spits me out,
picks me up, tears me down

I'm not crying for you
I don't feel no pain
But every time you leave
I wish that I was on my way

I'm singing on the sidewalk, dancing for you
Wearing holes in my shoes
I got blisters on my toes
Everybody knows there's nothing to do
So I'm singing on the sidewalk dancing for you

I don't count my change it's always gone at the end of the day
Tomorrow chew me up, spit me out, pick me up, tear me down

I'm not hiding from you
I don't feel no shame
But everytime you leave
I wish that I was on my way

Sunny afternoon and I'm so bored
The grass ain't greener on the other side anymore

I'm sipping coffee to chase the blues
Tired of looking for something else to do

I'm singing on the sidewalk, dancing for you
I'm singing on the sidewalk, dancing for you
I'm singing on the sidewalk, dancing for you
I pour out my heart for a dime or two

Down at the Library

Lyrics by Jeremy Fisher

Twiddle-dee-dum, twiddle-dee-dum
Let's go to the library
You can find a book that you want to read
Down at the library

I wanna read about dinosaurs
I wanna read about dinosaurs
I wanna read about dinosaurs
I wanna read about them all day long
I can hear them roar

I wanna read about chimpanzees
I wanna read about chimpanzees
I wanna read about chimpanzees
I wann read about them all day long
swingin' in the trees

I wanna read about outer space
I wanna read about outer space
I wanna read about outer space
I wanna read about it, maybe one day
I'll go to that place.
