Scrub-a-dub-dub
Scrub-a-dub-dub in my favorite tub
I love what I do, I do what I love

Come Fly Away

Lyrics by Jeremy Fisher

Like a sparrow on a wire
Singin' the same song everyday
I'm feeling restless but I'm tired
Don't want to leave but I can't stay
You and me need something more
It's time to spread our wings and go

So come..... fly away!
Through the clouds into the sun
Far away from everyone
Come..... fly away

When we get above the rain
They are all... sunny days
My heart is pounding like a hammer

Chasing the seasons round the sun
Just like a question with no answer
I guess we're always on the run
You and me need something more
It's time to spread our wings and go

So come..... fly away!
Through the clouds into the sun
Far away from everyone
Come..... fly away

When we get above the rain
They are all.... sunny days

Peanut Butter Sandwiches

Lyrics by Paul Stock

If you believe in peanut butter sandwiches
And I believe in peanut butter sandwiches
And we believe in peanut butter sandwiches
We should all be friends 'coz

Friends share everything together
Good or bad, even stormy weather
Baseball cards and ballerina shoes
Friends help friends lose the blues

If you believe in making up nicknames
And I believe in making up nicknames
And we believe in making up nicknames
We should all be friends (how come?) 'coz

Chorus

If you believe in playing harmonica
And I believe in playing harmonica
And we believe in playing harmonica
We should all be friends (how come?) 'coz

Chorus

If you believe in peanut-free sandwiches
And I believe in peanut-free sandwiches
And we believe peanut-free sandwiches
We should all be friends (how come?) 'coz

Chorus

Feel Like An Animal

Lyrics by Jeremy Fisher

If you feel like an animal
that's because that's what you are
wishes come true and the sky is blue
and I feel like an animal too
I'm an animal too

The piggy says oink oink oink
The cow says moo moo moo
The bear says growl growl growl
and the rooster says cock-a-doodle-do
Monkey says o o o
Ducky says quack quack quack
The wheels on the bus go round and round
and the driver on the bus says move on back

If you feel like an animal
that's because that's what you are
wishes come true and the sky is blue
and I feel like an animal too
I'm an animal too

The bizzy bee says buzz buzz buzz
The ktity cat says meow meow meow
If you wonder why that's so
The scientist says let's figure it out
The sheepy says baa baa baa
The mousey says squeak squeak squeak
The guy with the guitar says do you want to sing
and all of the kids say yessiree

If you feel like an animal
that's because that's what you are
wishes come true and the sky is blue
and I feel like an animal too
I'm an animal too
I'm an animal too

Bizzy Bee

Lyrics by Jeremy Fisher

You got a yellow jacket with black stripes
You got a little stinger but you don't bite
You live in the kingdom of the Queen Bee
One big honeycomb family

All day long, working so hard, buzz your song

Bizzy, bizzzy, bizzzy, bizzzy. bizzzy, bizzzy bee
Visit all the flowers that you can see
Bizzy, bizzzy, bizzzy, bizzzy. bizzzy, bizzzy bee
Makin' all the honey, puttin' apples on the trees
Makin' all the honey, puttin' apples on the trees

One, two, three, four, five, six, seven, eight
Get your feet wet and pollinate
From the watermelon to the grape vine
You make the summer time come alive

All day long working so hard, buzz your little song

buzz, buzz, buzz, buzz

BUZZ! BUZZ!

Before You Go

Lyrics by Jeremy Fisher

Before you go
Before you go

I want to thank you
I feel better

And I hope
You enjoyed our
time together
