Come Fly Away

Lyrics by Jeremy Fisher

Like a sparrow on a wire
Singin' the same song everyday
I'm feeling restless but I'm tired
Don't want to leave but I can't stay
You and me need something more
It's time to spread our wings and go

So come..... fly away!
Through the clouds into the sun
Far away from everyone
Come..... fly away

When we get above the rain
They are all... sunny days
My heart is pounding like a hammer

Chasing the seasons round the sun
Just like a question with no answer
I guess we're always on the run
You and me need something more
It's time to spread our wings and go

So come..... fly away!
Through the clouds into the sun
Far away from everyone
Come..... fly away

When we get above the rain
They are all.... sunny days

Bizzy Bee

Lyrics by Jeremy Fisher

You got a yellow jacket with black stripes
You got a little stinger but you don't bite
You live in the kingdom of the Queen Bee
One big honeycomb family

All day long, working so hard, buzz your song

Bizzy, bizzy, bizzy, bizzy. bizzy, bizzy bee
Visit all the flowers that you can see
Bizzy, bizzy, bizzy, bizzy. bizzy, bizzy bee
Makin' all the honey, puttin' apples on the trees
Makin' all the honey, puttin' apples on the trees

One, two, three, four, five, six, seven, eight
Get your feet wet and pollinate
From the watermelon to the grape vine
You make the summer time come alive

All day long working so hard, buzz your little song

buzz, buzz, buzz, buzz

BUZZ! BUZZ!

Down at the Library

Lyrics by Jeremy Fisher

Twiddle-dee-dum, twiddle-dee-dum
Let's go to the library
You can find a book that you want to read
Down at the library

I wanna read about dinosaurs
I wanna read about dinosaurs
I wanna read about dinosaurs
I wanna read about them all day long
I can hear them roar

I wanna read about chimpanzees
I wanna read about chimpanzees
I wanna read about chimpanzees
I wann read about them all day long
swingin' in the trees

I wanna read about outer space
I wanna read about outer space
I wanna read about outer space
I wanna read about it, maybe one day
I'll go to that place.

There's No Better Fly Than A Butterfly

Lyrics by Jeremy Fisher

There's no better fly than a butterfly
No better fly than a butterfly
Across the land across the sky
There's no better fly than a butterfly

I knew a mosquito
Her name was Rita
Buzzing in my ear
Like an onomatopoeia
Stick in the mud
Sucking my blood
Scratching on my head
Left an itchy lump

No better fly than a butterfly
No better fly than a butterfly
Across the land across the sky
There's no better fly than a butterfly

Who ever thought
a horse could be a fly
I don't know why
they made a horsefly
Bugs me at the beach
Bugs me in the water
I wish they'd bug off
And I figure that they oughta

No better fly than a butterfly
No better fly than a butterfly
Across the land across the sky
There's no better fly than a butterfly

Oh the dragonfly
That's pretty awesome
Movin' around
like a tiny helicopter
Get out the way
All work and no play
No fun, no way
Let's sing it again

No better fly than a butterfly
No better fly than a butterfly
Across the land across the sky
There's no better fly than a butterfly
Across the land across the sky
There's no better fly than a butterfly

Before You Go

Lyrics by Jeremy Fisher

Before you go
Before you go

I want to thank you
I feel better

And I hope
You enjoyed our
time together
