Good Morning

Traditional, Arrangement by Jeremy Fisher

Good morning, Good morning,
Good morning to you,
Bright Sunshine, bright sunshine
and how do you do?

Good morning, Good morning,
Good morning to you,
Bright Sunshine, bright sunshine
and how do you do?

Good morning sun (Good morning sun)
Good morning everyone (Good morning sun)
Good morning sun (Good morning sun)
Good morning everyone (Good morning sun)

Good morning, Good morning,
Good morning to you,
Bright Sunshine, bright sunshine
and how do you do?

This is the Good Life

Lyrics by Jeremy Fisher

Oh, oh, oh, oh, the places you will go
My, my, my, we're gonna walk across the sky
We will be adventurers
Like they were centuries ago
And find a place to call our own

Cause this is the good life
This is the good life
Where we get together, this day will last for ever
Oo,oo,oo,oo,oo

Hey, hey, hey, we got it all, we got it made
Oo,oo,oo, Laverne and Shirley, me and you
Nothing is impossible
When reality is a dream
There's no where else I'd rather be

Cause this is the good life
This is the good life
Where we get together, this day will last for ever
Oo,oo,oo,oo,oo

Oh, oh, oh, oh
These are the good old days my friend
Oh, oh, oh, oh, and these days will never end
Never end

This is the good life
Where we get together, this day will last for ever
Oo,oo,oo,oo,oo
This is the good life
This is the good life
Where we get together, this day will last for ever

Oo,oo,oo,oo,oo
This is the good life

I Love The Smell of Summertime

Lyrics by Jeremy Fisher

Rain falling on a city street
Camp fire and a cool breeze
Pine needles in the sunshine
I love the smell of summertime
I love the smell of summertime

I like to run
down by the bay
and see the birds
fly away
take a swim
dunk my head
lie in the sun and
do it all over again

Rain falling on the city street
Camp fire and a cool breeze
Pine needles in the sunshine
I love the smell of summertime
I love the smell of summertime

I've got friends
feeling good
play all day
in the neighbourhood
ride bikes
top speed
we can go anywhere
that we make believe

Rain falling on the city streets
Camp fire and a cool breeze
Pine needles in the sunshine
I love the smell of summertime
I love the smell of summertime

And in the night
I lie in bed
I hear the sound
in my head
crickets chirp
dogs bark
I fall asleep under
great big beautiful stars

Rain falling on the city street
Camp fire and a cool breeze
Pine needles in the sunshine
I love the smell of summertime
I love the smell of summertime
I love the smell of summertime

Peanut Butter Sandwiches

Lyrics by Paul Stock

If you believe in peanut butter sandwiches
And I believe in peanut butter sandwiches
And we believe in peanut butter sandwiches
We should all be friends 'coz

Friends share everything together
Good or bad, even stormy weather
Baseball cards and ballerina shoes
Friends help friends lose the blues

If you believe in making up nicknames
And I believe in making up nicknames
And we believe in making up nicknames
We should all be friends (how come?) 'coz

Chorus

If you believe in playing harmonica
And I believe in playing harmonica
And we believe in playing harmonica
We should all be friends (how come?) 'coz

Chorus

If you believe in peanut-free sandwiches
And I believe in peanut-free sandwiches
And we believe peanut-free sandwiches
We should all be friends (how come?) 'coz

Chorus

End OF The Day

Lyrics by Jeremy Fisher

We're coming to the end of the day
The sun is slowly fading away
The one thing that I've got left to say
Is that I love you

We're coming to the end of the road
So hurry up and take it slow
The one thing that I want you to know
Is that I love you

We're coming to the end of the day
The sun is slowly fading away
The one thing that I've got left to say
Is that I love you

Before You Go

Lyrics by Jeremy Fisher

Before you go
Before you go

I want to thank you
I feel better

And I hope
You enjoyed our
time together
