Singing On The Sidewalk

Lyrics by Jeremy Fisher

This rain might wash me away
But the sun might burn my face
This corner chews me up, spits me out,
picks me up, tears me down

I don't count my sins 'cause I don't want to count on anything
In case it chews me up, spits me out,
picks me up, tears me down

I'm not crying for you
I don't feel no pain
But every time you leave
I wish that I was on my way

I'm singing on the sidewalk, dancing for you
Wearing holes in my shoes
I got blisters on my toes
Everybody knows there's nothing to do
So I'm singing on the sidewalk dancing for you

I don't count my change it's always gone at the end of the day
Tomorrow chew me up, spit me out, pick me up, tear me down

I'm not hiding from you
I don't feel no shame
But everytime you leave
I wish that I was on my way

Sunny afternoon and I'm so bored
The grass ain't greener on the other side anymore

I'm sipping coffee to chase the blues
Tired of looking for something else to do

I'm singing on the sidewalk, dancing for you
I'm singing on the sidewalk, dancing for you
I'm singing on the sidewalk, dancing for you
I pour out my heart for a dime or two

Peanut Butter Sandwiches

Lyrics by Paul Stock

If you believe in peanut butter sandwiches
And I believe in peanut butter sandwiches
And we believe in peanut butter sandwiches
We should all be friends 'coz

Friends share everything together
Good or bad, even stormy weather
Baseball cards and ballerina shoes
Friends help friends lose the blues

If you believe in making up nicknames
And I believe in making up nicknames
And we believe in making up nicknames
We should all be friends (how come?) 'coz

Chorus

If you believe in playing harmonica
And I believe in playing harmonica
And we believe in playing harmonica
We should all be friends (how come?) 'coz

Chorus

If you believe in peanut-free sandwiches
And I believe in peanut-free sandwiches
And we believe peanut-free sandwiches
We should all be friends (how come?) 'coz

Chorus

Hot Dog

Lyrics by Jeremy Fisher

Get your hot dogs while they're hot
Stick 'em on a bun
Take 'em on the run
Ready to go
Ready or not
Get your hot dogs while they're hot
Get your hot dogs while they're hot

I like ketchup, yes I do
Sweet and Salty
Tangy too
I like ketchup, yes I do
How about you?

Get your hot dogs while they're hot
Stick 'em on a bun
Take 'em on the run
Ready to go
Ready or not
Get your hot dogs while they're hot
Get your hot dogs while they're hot

I like mustard, yesiree
Makes a funny sound
When the bottle is squeezed
I like mustard, yes I do
How about you?

Get your hot dogs while they're hot
Stick 'em on a bun
Take 'em on the run
Ready to go
Ready or not
Get your hot dogs while they're hot
Get your hot dogs while they're hot

I like relish
On the top
Pickles turned into a sauce
I like relish, yes I do
How about you?

Get your hot dogs while they're hot
Stick 'em on a bun
Take 'em on the run
Ready to go
Ready or not
Get your hot dogs while they're hot
Get your hot dogs while they're hot

I like potato chips so much
That's what makes my hot dog crunch
On the top
Pickles turned into a sauce
I like potato chips, I do
How about you?

Get your hot dogs while they're hot
Stick 'em on a bun
Take 'em on the run
Ready to go
Ready or not
Get your hot dogs while they're hot
Get your hot dogs while they're hot
Get your hot dogs while they're hot
