# I Lost My Shoe

*Lyrics by Bernie Hudecki*

I lost my shoe what should I do  
What could I do without my shoe?  
My shoe is gone I passed it on to Jon  
He passed it on to Ron  
He passed it on to old King Kong  
He passed it on into a pond

Shoe-be-do-be-doo I lost my shoe  
Shoe-be-do-be-doo I lost my shoe  
Shoe-be-do-be-doo I lost my shoe

I lost my shoe my foot is blue  
My ankle sock is lonely too  
It stepped away all by itself  
I found it on a cookie shelf  
My shoe has left it has no right  
It's gone away into the night

Chorus

I lost my shoe I know it's new  
But even now it's not in view  
I put a poster on the wall  
Reward for shoe 10 cents please call  
I never heard a single word  
Maybe my shoe's gone to the birds

Chorus

I lost my shoe oh yes it's true  
Maybe it's gone to Timbuktu  
What good is a 1 without a 2  
No good, no kidding this is not cool  
I wonder here, I wonder there  
I wonder when, I wonder where?

# Peanut Butter Sandwiches

*Lyrics by Paul Stock*

If you believe in peanut butter sandwiches  
And I believe in peanut butter sandwiches  
And we believe in peanut butter sandwiches  
We should all be friends 'coz

Friends share everything together  
Good or bad, even stormy weather  
Baseball cards and ballerina shoes  
Friends help friends lose the blues

If you believe in making up nicknames  
And I believe in making up nicknames  
And we believe in making up nicknames  
We should all be friends (how come?) 'coz

Chorus

If you believe in playing harmonica  
And I believe in playing harmonica  
And we believe in playing harmonica  
We should all be friends (how come?) 'coz

Chorus

If you believe in peanut-free sandwiches  
And I believe in peanut-free sandwiches  
And we believe peanut-free sandwiches  
We should all be friends (how come?) 'coz

Chorus

# Bizzy Bee

*Lyrics by Jeremy Fisher*

You got a yellow jacket with black stripes  
You got a little stinger but you don't bite  
You live in the kingdom of the Queen Bee  
One big honeycomb family

All day long, working so hard, buzz your song

Bizzy, bizzy, bizzy, bizzy. bizzy, bizzy bee  
Visit all the flowers that you can see  
Bizzy, bizzy, bizzy, bizzy. bizzy, bizzy bee  
Makin' all the honey, puttin' apples on the trees  
Makin' all the honey, puttin' apples on the trees

One, two, three, four, five, six, seven, eight  
Get your feet wet and pollinate  
From the watermelon to the grape vine  
You make the summer time come alive

All day long working so hard, buzz your little song

buzz, buzz, buzz, buzz

BUZZ! BUZZ!

# Before You Go

*Lyrics by Jeremy Fisher*

Before you go  
Before you go

I want to thank you  
I feel better

And I hope  
You enjoyed our  
time together
