I can hear them roar

I wanna read about chimpanzees
I wanna read about chimpanzees
I wanna read about chimpanzees
I wann read about them all day long
swingin' in the trees

I wanna read about outer space
I wanna read about outer space
I wanna read about outer space
I wanna read about it, maybe one day
I'll go to that place.

Say Hello

Lyrics by Jeremy Fisher

I'm sorry for what I have done
I made a mistake, and I was wrong
I want to learn from this and try to improve
I'm sorry, I apologize to you

Tell me how you feel
I'm listening
I'll do my best to understand
Tell me how you feel
I'm listening
I hope I can gain your trust again

I'm sorry for what I have done
I made a mistake, and I was wrong
I want to learn from this and try to improve
I'm sorry, I apologize to you

Tell me how you feel
I'm listening
That's what this is all about
Tell me how you feel
I'm listening
Together we will work it out

I'm sorry for what I have done
I made a mistake, and I was wrong
I want to learn from this and try to improve
I'm sorry, I apologize to you

I'm sorry for what I have done
I made a mistake, and I was wrong
I want to learn from this and try to improve
I'm sorry, I apologize to you
I want to learn from this and try to improve
I'm sorry, I apologize to you
