

Class Descriptions & Upcoming Classes

Glass Fusing

This is an introduction to glass fusing. You will learn what glass fusing is, the kinds of fusing that can be done, what glass can be used, terminology, some design techniques, use of the kiln and what kind can be used for glass as well as glass cutting, use of tools and safety. You will be making 4 – 4x4” coasters or 1 8x8” dish. All supplies provided. Class is one 3 hour session.

Upcoming Classes:
4/28/2019 3-6pm

Cost: \$95.00

Advanced Fusing

Starting in January advanced fusing will include the following; working with fiber paper and fiber blanket.

You will learn how to work with these materials to add texture and design to your pieces. We will also be learning how to use slurrys, work with glass powder and some work with reactive glass and pulling stringers from a vitrograph. With this class you can come in as many days as fits your schedule even though we have a set aside 2 days for class time.

Upcoming Classes:
Every Tuesday 3:00 pm to 5:00 pm
Every Friday 1:00 pm to 3:00

Cost: \$180.00

Class Descriptions & Upcoming Classes
