NOTES TO FINANCIAL STATEMENTS

ASSOCIATION FOR A MORE JUST SOCIETY - US

July 31, 2011

NOTE A - THE ORGANIZATION

The Association for a More Just Society - U.S. ("the Association"), an Illinois not-for-profit corporation, was incorporated on June 23, 2000. The Association is a Christian organization working to achieve social justice for the poorest and most vulnerable members of Honduran society by targeting macro level issues of injustice.

The objectives of the Association include promoting the interest of the most poor in legislative projects, defending the rights of the most vulnerable in judicial processes, increasing the awareness and democratic participation of churches to practice the Biblical teachings on justice, and publishing journalistic investigations on issues that affect the poor of Honduras. Current programs focus on government transparency, land rights, labor rights, and access for the poor to legal and psychological services.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles.

Financial Statement Presentation

Revenues are classified based on the existence or absence of donor imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Unrestricted Net Assets · The portion of net assets that is neither temporarily nor permanently restricted by donor-imposed stipulations.

Temporarily Restricted Net Assets · The portion of net assets whose use by the Association is limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of the Association.

Permanently Restricted Net Assets · The portion of net assets subject to donor-imposed stipulations that they be maintained permanently by the Association. Generally, donors of these assets permit the Association to use part of the income earned on any related investments for general or specific purposes. There were no permanently restricted net assets at July 31, 2011

See accompanying independent auditors' report.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Support and Expenses

Contributions received and unconditional promises to give are recognized as revenue in the period the contributions or the unconditional promise is received. Unconditional promises to give are stated net of an allowance for estimated uncollectible promises based on historical experience and other factors. The Organization reports gifts of cash or other assets as restricted support if the contribution is received with donor restrictions that limit the use of the donated assets or if they are designed as support for future periods. When a donor restriction expires, that is, when a stipulated time restriction or event occurs, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Contributions of assets other than cash are recorded at their fair values at the date of the gift.

Concentration of Credit Risk

The Association's cash and cash equivalent consist of amounts placed in one financial institution. While the account balance at times may exceed the amount guaranteed by the Federal Deposit Insurance Corporation (FDIC), the Association has not experienced, nor does it anticipate any loss of funds. As of July 31, 2011 and 2010, the Association did not have any uninsured balances.

Income Taxes

The Association has received exemption from taxes under Section 501(c)(3) of the Internal Revenue Code in a letter dated November 22, 2005

The Association has also been classified as an entity that is not a private foundation within the meaning of Section 509(a) and qualifies for deductible contributions as provided in Section 170(b)(1)(A)(vi).

Statements of Cash Flows

For purposes of the statements of cash flows, demand deposits and money market funds with a maturity of three months or less are considered to be cash equivalents.

See accompanying independent auditors' report

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Property and Equipment

Property and equipment are recorded at cost for financial reporting purposes and are depreciated under the straight-line method over their estimated economic useful lives. Significant additions and betterments are capitalized. Expenditures for maintenance, repairs and minor renewals are charged to operations as incurred. Equipment is depreciated over periods of 5 to 10 years.

Donated fixed assets are recorded as support at their estimated fair value at the time of donation. Unless specifically restricted by donor intent they are reported as unrestricted net assets.

Donated Services

The value of certain donated volunteer services is not reflected in the accompanying financial statements since there is no objective basis available by which to measure the value of such services. However, a substantial number of volunteers, including board members, have donated amounts of their time to the Association's operations.

Subsequent Events

Subsequent events were evaluated through December 1, 2011 the issuance date of the financial statements. There were no items that required additional disclosures.

NOTE C - LEASES

The organization is currently leasing office space from a local church under a short-term operating lease. No future lease obligations exist at year end. Rent expense for the year ended July 31, 2011 was \$1,265

See accompanying independent auditors' report.

NOTE D - PROGRAM EXPENSES

Program expenses consist of the following:

Honduras General Support: general support provided to Asociacion Para Una Sociedad Mas Justa, the Association's sister organization based in Tegucigalpa, Honduras.

Gideon Project: the Association is working with local churches in marginalized, urban neighborhoods to run legal aid and mental health clinics in order to ensure that residents have access to needed professional services and that their rights are protected.

Land Titling: the Association is working with local community leaders to resolve land ownership issues afflicting poor communities.

Forestry Law: the Association along with other groups is working to protect the interest of the rural poor who depend on the forest and to enforce environmentally sustainable practices. Lack of adequate regulations in Honduras has encouraged widespread deforestation and environmental degradation.

Fellows: U.S. citizens or residents working on location in Honduras. Fellows expenses include amounts raised to support their living expenses.

Other Program Expenses: consist of several projects that include assisting the poor with labor land and property rights as well as to promote peace and justice.

NOTE E - TEMPORARILY RESTRICTED NET ASSETS

Contributions that are restricted by a grantor agency or a donor are reported as an increase in unrestricted net assets if the restriction expires, or the conditions are met in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. As of July 31, 2011 and 2010, temporarily restricted net assets are as follows

	<u>2011</u>	<u>2010</u>
Electronic Book Development	\$ 5,440	\$ 10,249
Educational Aid	<u>8,849</u>	<u>9,638</u>
Total	<u>\$ 14,289</u>	<u>\$ 19,887</u>

See accompanying independent auditors' report.
