

CLASSIC WOOD CRAFT *Finishes*

ORGANOIL *Natural Wax & Polish*

A soft paste bee's wax with a refreshing citrus smell, to clean & polish existing timber finishes, will also maintain leather products

Available in: **500 ML TUBS**

ORGANOIL *Olde Style* **DANISH OIL**

A traditional oil which will deliver the "Classic Timber Finish" to decorative pieces, internal furniture & joinery. This clear finish will enhance existing timber colours & character. Makes an ideal base for the addition of -

ORGANOIL *Natural Wax & Polish*

Available in: **500 MLS , 1 , 4 & 10 LITRES**

ORGANOIL *Hard* **BURNISHING OIL**

With a high content of genuine Tung Oil this product offers excellent sealing properties to timber that will come in contact with water. When applied using the "WET SANDING TECHNIQUE" the FOOD SAFE finish will withstand the rigors of daily use. Suitable for bench tops, bar tops, table tops, chopping blocks, boards, platters & bowls. Just a wipe over with a few drops of Woodwipe or Woodsheen occasionally will keep the timber nourished. The finish produced is not skin forming therefore will not crack, peel or flake.

Available in: **500 MLS, 1 , 2 , 4 & 10 LITRES**

Ecowoodoil - WOODWIPE

Specially formulated from Citrus & Tung Nut oil - for rejuvenating wooden food serving items i.e. boards, bowls & utensils. Re- nourishes timber that washing dries out, will not send timber rancid or tacky **FOOD SAFE!**

Available in: **250 ML BOTTLES**
