**Takeaway
Together**

#takeawaytogether

Stay connected, support each other and help your local

Get ready. Set. Cook.

We want all Australians to support their local businesses through **#takeawaytogether** by ordering takeaway or delivery from their favourite local, sharing the meal with family and friends and serving up a side of conversation.

We know the hospitality industry has been hit hard. This is a simple way to encourage all Australians to support each other and their local.
