Breaking the Chain of Covid 19 Infection

3-Pronged Strategy

1. Personal Hygiene & Social Strategies
   - Physical Distancing at Least 6 Feet Apart
   - Environmental Preferable Products

2. Manage Airborne Transmission
   - Examples of Strategies: Increased Air Exchange and Increased Filtration
   - Isolation and Quarantine

3. Cleaning for Health and Targeted Disinfection
   - Environmentally Preferable Products
   - Microfiber, HEPA Vacuum, Steam, Electrically Activated Water
   - Examples of High Touch Points
