ROI DES TIGRES

Roi Des Tigres is an Alberta bred 2yr old gelding that will begin his career in 2017. He is by the very good sire Wilko and is the first foal from the stakes winning mare Regal Tigereyes. He has good size, a great mind and is progressing quite well early in his training.

Mr. MEANER

Mr. Meaner is a Kentucky bred 2yr old gelding that will begin his career in 2017. He is by the sire Spring At Last who is also the sire of the freakishly fast Fall At Last. He is the first foal out of the mare Time On My Hands. The best word that encapsulates this guy is "wild". He bites, he kicks and is just all out mean, hence the name Mr. Meaner. Although these traits are not ideal for a Race Club horse, they are appealing to be a race horse. Horses that are overly aggressive in life will tend to be aggressive on the racetrack as well. When racing 2yr olds, mental maturity and aggression will often trump pure natural ability. We have been working extensively with Mr. Meaner to contain these "meaner traits" without suppressing his aggression. He is showing very good progress in his maturity and training. This is also one of the last chances to own a horse sired by Spring At Last as he no longer stands in North America.
