

REFINING YOUR INTERIOR

[www.nmcdecoration.com](http://www.nmcdecoration.com)

**nmc**

EN With our new slogan, "**NMC–Refining your interior**", our aim is to approach the market with an incisive direction.

We have divided our range into four different style genres. Each style therefore embodies a particular genre, harmonious in all its elements. Whether timeless, traditional, modern or professional, customers who identify themselves with a particular style will now feel more at home, and we will simplify their choice by systematically presenting them with products that work in perfect harmony.

Get inspired!

ES Nuestro nuevo eslogan "**NMC–Dé sublimidad a su decoración interior**" denota nuestro deseo de abordar el mercado desde un nuevo ángulo de reflexión.

Tras reflexionarlo, hemos dividido nuestra gama en cuatro estilos diferentes. Cada estilo representa un universo particular y armonioso. Ya sea que su universo sea intemporal, clásico, moderno o incluso profesional, nuestros clientes, que se identifican con un estilo determinado, se sentirán de ahora en adelante más concernidos. De esta manera les facilitamos considerablemente su elección presentándoles directamente soluciones globales que integran la decoración interior.

¡Dejense inspirar!

IT Con il nostro nuovo slogan «**NMC–esaltate i vostri interni**», vogliamo affrontare il mercato partendo da un nuovo punto di riflessione.

Dopo un'accurata riflessione, abbiamo suddiviso la nostra gamma in quattro stili diversi. Ogni stile incarna un particolare universo di armonia. Che il loro universo sia senza tempo, classico, moderno o anche professionale, i nostri clienti, che si identificano in uno stile, si sentiranno ancor più coinvolti. E noi facilitiamo loro enormemente la scelta, perché da oggi presenteremo direttamente soluzioni corredate da decorazioni interne.

Lasciatevi ispirare!

PT Com o nosso novo slogan „**NMC: Sublime o seu interior!**”, queremos abordar o mercado com uma nova maneira de pensar.
