Remodel Price Match:

After review of competitor's quote and it qualifies per above, OCP will meet the price.

After review of competitor's quote and it qualifies per above, but OCP is unable to meet or beat the price, the customer will receive \$100.

Plumbing Service Price Match:

After review of competitor's quote and it qualifies per above, OCP will meet the price.

After review of competitor's quote and it qualifies per above, but OCP is unable to meet or beat the price:

If quote is up to \$500, customer receives a \$25 check from Oak Creek Plumbing

If quote is \$500-\$1000, customer receives a \$35 check from Oak Creek Plumbing

If quote is \$1000 and up, customer receives a \$50 check from Oak Creek Plumbing

All work must be paid in full at time of service.

OCP will have a maximum of 24 hours to review the opposing company's quote to determine if we can meet or beat the quoted competitor's price. In the event that OCP informs the customer that it is unable to meet the qualified competitor's quote, customer must replace the product with another company's product and make OCP's product available to OCP in the same condition that it was installed within 5 business days following OCP notice to the customer that it is unable to meet or beat the competitor's quote. Then OCP will reimburse 100% of the customer's purchase price for the product plus up to \$50 back.

Assurance Program subject to change at any time without notice.
