

**CHAMPIONSHIPS:** The final of the handicapped Fours saw the team of skip Kerry Jones with Terry Hill, Lee Dent sub for Mike Dundas & Crusty Watson get away to a good start over Alan Wynter with Darcy Nelson, Dave Clark & Dave Henry; they led by 13/7 after 10 ends. However after the 14th it was 14 all but a five on the 17th to the Jones team gave it a 21/14 lead & we could hear the diva warming her vocal cords. The Wynter team never gave up but were 21/18 down at the start of the 21st end. Again, they maybe had a chance, holding maybe 3 shots after the skips had finished. The measurements took a while, but no amount of "tape stretching" could get the 3 shots required for a draw & another end for the Wynter team. Well done both teams, final score 21/20.

**The quarter final of the Veterans Pairs** was played Tuesday 30th. Alan Wynter & Darcy Nelson got a fright from Roy Booth & your scribe who held them on 6 for eight ends early & were leading 20/14 with three ends to play. Al & Darcy continued on to win 21/20, sob! Another close game was that between Gary McGuire/ Kerry Jones versus John Wilton/ John Paul. Gary & Kerry led for the entire game & just prevailed over the fast finishing Johns combo who kept them on 20 for five ends. Final score 21/20. Col Milligan & Ted Fraser had a 19/13 win against youngsters Gordon Wood & Ivan Traves & lastly Roy Sinclair & Dave Beavis are proving to be a "pair to watch" with a 20/16 win over Terry Hill & Tony Hutchins.

**SOCIAL:** The Wednesday Triples lucky rink money was for an expensive fours team: Dave Adamson (now an O.B.E), Hardy Hansen, Harry Williams & Garry Allen.

**Friday Open Pairs \$120** prize went to Tony Hutchins & Ron Wynter. The jackpot was \$880 & had Markus & Croc in contention, but alas. The Keno voucher went to Ray Flinn & Dave Clark.
