

## 40 x 48 x 25 Used Plastic Bulk Container (2 Doors)

The 40 x 48 x 25 RefurBest brand used collapsible bulk container is designed with two access doors for comfortable and ergonomic handling of materials for shipping. This container will hold up to 1500 lbs of material and can be stacked up to 4 units high for long term storage to utilize valuable floor space better. With 17 cubic feet of usable space and a 2.2:1 return ratio, up to 90 of these units can be loaded into a standard 53' trailer when full of material. Two hundred units can be back-hauled empty lowering overall trucking costs by 28%.

Part #: R404825-2-M-MX

### Special Features

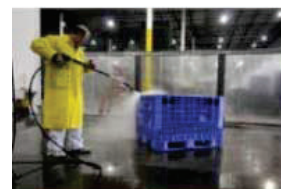

#### Inspect

RPP Containers conducts a "fit-form-function" inspection on every used bulk container to determine if it can be refurbished.

#### Repair

All repairs are made to the container, such as damaged part replacement and welding where needed, to make sure the container is fully functional.

#### Power Wash

Each container is power washed to remove excess dirt and grime. The containers are shipped clean and ready to use.

RPP Containers® warrants its containers for proper fit, form and function for a period of one year from date of shipment by RPP Containers. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e., forklift damage etc.). Customer is responsible for all freight charges.
