

40 x 48 x 45 Plastic Pallet Pack Container with Access Door

The 40 x 48 x 45 plastic pallet pack with access door is an all-weather container used to handle a variety of materials. Durable triple-layer polyethylene makes the plastic sleeve exceptionally strong in every direction and resistant to the tearing, impact and compression other sleeve packs face. Sealed edges allow the sleeve pack to be washed and stored outdoors without any wear and tear to the container. The 40 x 48 footprint, 45 height plastic pallet pack is lightweight and has built-in 4-way forklift access, which allows for easy handling and promotes excellent worker safety. With a 7:1 nesting ratio, the plastic pallet pack is a low-cost packaging solution that fits any need. Black color top and bottom. Grey color sleeve. Pallet pack containers are proudly made in the USA.

Part #: DGP404845-C

Special Features

Made in the USA

Pallet Pack Containers are proudly made in the USA.

Securely Stack

Pallet pack containers can securely stack on top of one another.

Interlocking System

Pallet pack sleeves lock securely into the pallet pack base and lid.

Interior Width	37.2	Max. Stack Weight	N/A	Fork Lift Entry	4 sides	Approvals	N/A
Interior Length	45.2	Floor Type	Solid	Weight	61.60	Optional Lid	Included
Collapsed Height	12					Brand	DuraGreen

RPP Containers® warrants its containers for proper fit, form and function for a period of one year from date of shipment by RPP Containers. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e., forklift damage etc.). Customer is responsible for all freight charges.
