

45 x 48 x 21 Fixed Wall Bulk Container

The 45 x 48 x 21 fixed-wall bulk container with a 2,000 lb.-capacity, is built for long life and years of reliable service. The multi-use bulk bin is stackable to save floor space. A pallet-style base provides 4-way forklift and pallet jack access for safe, efficient handling. It has an open grid floor and is 100% recyclable. Optional lid. Optional solid floor pad.

We carry a large inventory of collapsible bulk bins and in most cases can ship within one business day. If in order is placed before 2 pm it most likely will ship the same day. RPP Containers offers the best service in the industry.

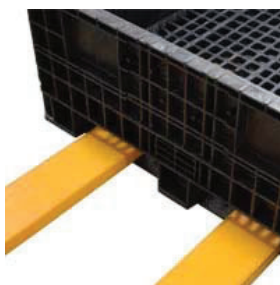

Part #FW454821

Special Features

Fixed Sidewalls

High Strength fixed sidewalls make this container ideal for heavy loads and flowable powder storage.

4-Way Forklift Entry

Allows entry from all sides for secure and efficient handling.

Open Grid Floor

The open grid floor provides exceptional strength while lowering shipping weight and conforming to manufacturing facility fire codes.

RPP Containers® warrants its containers for proper fit, form and function for a period of one year from date of shipment by RPP Containers. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e., forklift damage etc.). Customer is responsible for all freight charges.
