

45 x 48 x 30 Vented Harvest Bin

The 45 x 48 x 30 vented harvest bin, made from FDA-approved premium, injection-molded plastic, is certified safe for food products. Used extensively in the agricultural industry, the durable 1,300 lb.-capacity, bulk container is built to provide years of reliable service. This container is splinter resistant, non-porous, lightweight, 100% recyclable and fully vented. The base provides pallet jack and 4-way forklift access for safe, easy handling. White color.

Part #: DGM454830-V

Special Features

FDA Approval

This container is FDA approved for the handling and processing of agricultural and food products.

Rounded Corner Construction

Rounded corners and smooth surfaces for fewer scuffs, abrasions, and cuts on your product.

Ventilated Construction

Hundreds ventilation holes enhance airflow to maximize cooling and maintain freshness.
