

## 45 x 48 x 34 Pallet Pack All-in-One with Access Door

The DuraGreen® 45 x 48 x 34 Pallet Pack All-in-One is an all-weather self-contained container that can be used in a variety of applications. The durable plastic sleeve with a triple-layer polyethylene film makes the plastic sleeve exceptionally strong and is resistant to tearing. Sealed edges allow the sleeve pack to be washed and stored outdoors without any wear and tear to the container. The DuraGreen® 45 x 48 x 34 Pallet Pack All-in-One gives you the convenience of always having the three components at hand. The collapsible plastic sleeve folds onto the pallet, while the top locks onto the base with the sleeve nesting safely inside. The DuraGreen® 45 x 48 x 34 Pallet Pack All-in-One can be easily shipped as a collapsed single unit, or as multiple units that can be securely stacked together for easy transport. Pallet pack containers are proudly made in the USA.
