

45 x 48 x 41 Extra-Duty Collapsible Bulk Container

The 45 x 48 x 41 solid bottom, the extended-height collapsible bulk container, is an extra-duty container ideal for a variety of applications. Made from high-density polyethylene, the 45 x 48 footprint, 41 height collapsible bin can hold up to 1,800 lbs.-per load. Its extended height makes handling, storing, and transporting tall and hard-to-fit components easy within a 45 x 48 footprint. The container is made with two drop doors and is equipped with articulating hinges that make it simple to access its contents. This container is stackable, both upright and collapsed. 100% recyclable. Optional lid.

Part #: DGB454841-2-XD

Special Features

Fully Articulating Hinges

Fully articulating hinges on access doors allow the doors to open fully and lay flat against the container sidewall.

Interlocking Walls

Interlocking sidewalls at the corner of the container ensure high load capacity and stability.

Solid Floor

A solid floor bottom ensures small parts will not be lost and provides a smooth and even load surface.

Interior Length	44.5	Floor Type	Solid	Weight	147.00	Optional Lid	DGL4548
Collapsed Height	19.8					Brand	DuraGreen

RPP Containers® warrants its containers for proper fit, form and function for a period of one year from date of shipment by RPP Containers. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e., forklift damage etc.). Customer is responsible for all freight charges.
