

45 x 48 x 42 Used Plastic Bulk Container (2 Doors)

The 45 x 48 x 42 RefurBest brand used bulk container is designed with two access doors for easy handling of materials. This container will hold up to 1500 lbs of material and can be stacked 4 units high to save floor space. With a volume of 37 cubic feet and a 2:1 return ratio, up to 50 units can be loaded into a standard 53' trailer when full. 100 units can be back-hauled empty, lowering overall trucking costs by 25%. All specifications provided are approximate. Product images are for reference purposes only and may not reflect actual products. All RefurBest containers carry a 1-year functional warranty.

Part #: R454842-2-M-MX

Special Features

Inspect

RPP Containers conducts a "fit-form-function" inspection on every used bulk container to determine if it can be refurbished.

Repair

All repairs are made to the container, such as damaged part replacement and welding where needed, to make sure the container is fully functional.

Power Wash

Each container is power washed to remove excess dirt and grime. The containers are shipped clean and ready to use.

Collapsed Height	21.1					Brand	RefurBest

RPP Containers® warrants its containers for proper fit, form and function for a period of one year from date of shipment by RPP Containers. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e., forklift damage etc.). Customer is responsible for all freight charges.
