

45 x 48 x 48 Reusable Plastic Gaylord with Cover

The 45 x 48 x 48 reusable plastic gaylord with cover is a high-strength, collapsible bulk container, made from FDA-approved polypropylene. Its 3,300-lb capacity and reinforced side walls create the strongest solution in the bulk container industry. The included cover and stainless-steel retaining pins combine to make this the only available bulk container certified for rail transport of flowable materials. Its 3:1 nesting ratio lowers return shipping costs, and the ability to stack 5 high when fully loaded maximizes storage efficiency.

Part #: DGB454848-XD

Special Features

Stainless Steel Post

Stainless steel posts prevent corrosion or contamination.

Locking Lid

Locking lid provides structural integrity and creates a more solid overall container.

Locking Lid

Smooth, nonporous surfaces are easy to sanitize and won't trap debris, breed bacteria, or absorb chemicals like wood bin.

Exterior Length	48.6	Static Loading	5	Fork Opening Short	N/A	Door Width	N/A
Interior Height	40.9	Dynamic Load Stack	5	Fork Opening Long	N/A	Ventilation	No
Interior Width	40.9	Max. Stack Weight	N/A	Fork Lift Entry	N/A	Approvals	FDA
Interior Length	44.9	Floor Type	Solid	Weight	225.00	Optional Lid	Included
Collapsed Height	18.9					Brand	DuraGreen

RPP Containers® warrants its containers for proper fit, form and function for a period of one year from date of shipment by RPP Containers. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e., forklift damage etc.). Customer is responsible for all freight charges.
