

This 57 x 45 x 65 hopper bottom container, with its smooth, funnel-shaped interior, is ideal for controlled dispensing of seed, grain, resins, powders, pellets, and other small components. The adjustable slide gate allows contents to be emptied in as little as 30 seconds. Made from high-density polyethylene, this 2,500 lb.-capacity, collapsible bulk container will provide years of reliable service under the harshest conditions. 100% recyclable. Container lid included. Black color.

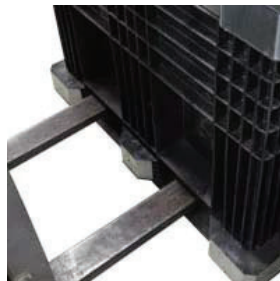

Part #: DGB574565-HB

Special Features

Slide Gate

Slide gate allows one person to control the flow and safely remove all or part of the contents.

4-Way Forklift Access

4-way forklift access allows entry from all sides for secure and efficient handling.

Reinforcing Crossbars

Strong, reinforcing crossbars evenly distribute load.

RPP Containers® warrants its containers for proper fit, form and function for a period of one year from date of shipment by RPP Containers. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e., forklift damage etc.). Customer is responsible for all freight charges.
