

57 x 48 x 34 Pallet Pack Container

The 57 x 48 x 34 Pallet Pack can handle tough material and storing tasks in a wide variety of applications. Its incredible strength to weight ratio allows this reusable container to hold thousands of pounds stacked on top of it. It is also light-weight, which provides for secure handling and excellent worker safety. The pallet bottom and top are made from durable twin sheet high-density polyethylene, and the split sleeve is made from heavy-duty triple-wall corrugated cardboard. These 2,000 lb capacity containers are built to provide years of service. The 57 x 48 footprint, 34 height pallet pack containers are stackable, easy to assemble and knock down, are 100% recyclable, and save on storage and transportation costs. Pallet and base black in color. Sleeve white in color. Proudly made in the USA.

Part #: DGP574834-0

Special Features

Made in the USA

Pallet Pack Containers are proudly made in the USA.

Securely Stack

Pallet pack containers can securely stack on top of one another.

Interlocking System

Pallet pack sleeves lock securely into the pallet pack base and lid.

RPP Containers® warrants its containers for proper fit, form and function for a period of one year from date of shipment by RPP Containers. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e., forklift damage etc.). Customer is responsible for all freight charges.
