

## 57 x 48 x 44 Collapsible Bulk Container

The 57 x 48 x 44 collapsible bulk container, with a 1,700 lb capacity is built to provide years of reliable service. This extended length bulk container is stackable, easy to assemble and knock down. Two drop gates allow for easy access to contents. A pallet-style base provides 4-way forklift and pallet jack access for safe, secure handling. A 2:1 nesting ratio increases storage efficiency and reduces shipping costs. This versatile general purpose bulk container is ideal for a wide range of material handling applications. 100% recyclable.

Part #: DGX574844-2L

### Special Features

#### Spring Loaded Latches

Ergonomic spring loaded latches provide a quick and reliable locking mechanism for both access doors and collapsing sidewalls.

#### Fully Articulating Hinges

Ergonomic spring loaded latches provide a quick and reliable locking mechanism for both access doors and collapsing sidewalls.

#### Solid Floor

A solid floor bottom ensures small parts will not be lost and provides a smooth and even load surface.

RPP Containers® warrants its containers for proper fit, form and function for a period of one year from date of shipment by RPP Containers. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e., forklift damage etc.). Customer is responsible for all freight charges.
