

The 70 x 48 x 34 extended pallet pack container is a multi-functional container perfect for textiles, general manufacturing, retail, wholesale, and many other industries. Triple-corrugated cardboard makes the pallet pack container lightweight, and built-in 4-way forklift access allows for secure handling and promotes excellent worker safety. The 70 x 48 footprint, 34 height pallet pack container is reusable, 100% recyclable, and with a 7:1 nesting ratio, is a low-cost packaging solution that saves both space and money — easily stacked once assembled. Black color top and bottom. White color sleeve. Proudly made in the USA.

Part #: DGP704834-0

## Special Features

### Made in the USA

Pallet Pack Containers are proudly made in the USA.

### Securely Stack

Pallet pack containers can securely stack on top of one another.

### Interlocking System

Pallet pack sleeves lock securely into the pallet pack base and lid.

RPP Containers® warrants its containers for proper fit, form and function for a period of one year from date of shipment by RPP Containers. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e., forklift damage etc.). Customer is responsible for all freight charges.
