

70 x 48 x 50 Collapsible Bulk Container

The 70 x 48 x 50 extended-length bulk container, with a 1,700 lb.-capacity, is built for long life and years of reliable service. This extended-length container is stackable, easy to assemble and knock down. Two drop gates allow for easy access to contents. A pallet-style base provides 4-way forklift and pallet jack access for safe, easy handling. A 2:1 nesting ratio increases storage efficiency and reduces shipping costs. This versatile general purpose bulk container is ideal for a wide range of shipping and storing applications. 100% recyclable.

Part #: DGX704850-2L

Special Features

Fully Articulating Hinges

Fully articulating hinges allow access doors to open fully and lay flat against container sidewall.

Spring-Loaded Latches

Ergonomic spring loaded latches provide a quick, reliable locking mechanism for access doors and collapsing sidewalls.

Solid Floor

Solid floor provides a smooth, even load surface and ensures small parts are not lost.

RPP Containers® warrants its containers for proper fit, form and function for a period of one year from date of shipment by RPP Containers. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e., forklift damage etc.). Customer is responsible for all freight charges.
