

## Ropak 40 x 48 x 39 Plastic Bulk Container

The Ropak® 40 x 48 x 39 collapsible bulk container, with a 2,000 lb.-capacity, is made from, high-density polyethylene, and built for long life, reliable service, and repeated use. The reusable bulk box is stackable, and easy to assemble and knock down. Two drop doors allow for easy access to contents. Pallet-style base provides 4-way forklift and pallet jack access for safe, efficient handling. The 4:1 return ratio increases storage efficiency and cuts inbound shipping costs. It's ideal for storing and handling small and heavy parts. 100% recyclable. Black color. Optional lid.

Part #: HD404839-2

### Special Features

#### Spring Loaded Latches

Ergonomic spring loaded latches provide a quick and reliable locking mechanism for both access doors and collapsing sidewalls.

#### Solid Floor

A solid floor bottom ensures small parts will not be lost and provides a smooth and even load surface.

#### Interlocking Walls

Interlocking sidewalls at the corner of the container ensure high load capacity and stability.

RPP Containers® warrants its containers for proper fit, form and function for a period of one year from date of shipment by RPP Containers. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e., forklift damage etc.). Customer is responsible for all freight charges.
