

Ropak 45 x 48 x 24 Pallet Container

The Ropak® 45 x 48 x 24 fixed-wall bulk container is a shorter, sturdier container with non-collapsible side walls and a single-piece molded base. With a 2,000 lb.-capacity, the reusable container is ideal for applications with high-weight and low-volume requirements. 100% recyclable. Optional lid

We carry a large inventory of collapsible bulk bins and in most cases can ship within one business day. If in order is placed before 2 pm it most likely will ship the same day. RPP Containers offers the best service in the industry.

Part #: HD484524-FW

Special Features

Fixed Sidewalls

High Strength fixed sidewalls make this container ideal for heavy loads and flowable powder storage.

4-Way Forklift Entry

Allows entry from all sides for secure and efficient handling.

Open Grid Floor

The open grid floor provides exceptional strength while lowering shipping weight and conforming to manufacturing facility fire codes.

RPP Containers® warrants its containers for proper fit, form and function for a period of one year from date of shipment by RPP Containers. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e., forklift damage etc.). Customer is responsible for all freight charges.
