

Ropak 78 x 48 x 34 Plastic Bulk Container

Made of, high-density polyethylene,, the Ropak® 78 x 48 x 34 1,700 lb.-capacity extended-length, collapsible bulk container is built to provide years of reliable service. This extended-length container is stackable, easy to assemble and knock down. Two drop gates allow for easy access to contents. A pallet-style base provides 4-way forklift access for safe, easy handling. The 2:1 nesting ratio increases storage efficiency and reduces inbound shipping costs. This versatile general purpose bulk container is ideal for storing and shipping long, bulky items. Suitable for a wide range of material handling applications. 100% recyclable. Optional lid.

Part #: HD784834-2

Special Features

Fully Articulating Hinges

Fully articulating hinges allow access doors to open fully and lay flat against container sidewall.

Spring-Loaded Latches

Ergonomic spring loaded latches provide a quick, reliable locking mechanism for access doors and collapsing sidewalls.

Solid Floor

Solid floor provides a smooth, even load surface and ensures small parts are not lost.

RPP Containers® warrants its containers for proper fit, form and function for a period of one year from date of shipment by RPP Containers. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e., forklift damage etc.). Customer is responsible for all freight charges.
