

Uni-Pak 40 x 48 x 30 Plastic Sleeve Pack Container

The Uni-Pak® 40 x 48 x 30 plastic container is an all-weather sleeve pack container used in a variety of applications. Durable triple-layer polyethylene film make the plastic sleeves exceptionally strong in every direction and resistant to the tearing, impact and compression other sleeve packs face. Sealed edges allow the sleeve pack to be washed and stored outdoors without any wear and tear to the container. The 40 x 48 footprint, 30 height Uni-Pak® plastic container is also lightweight and has pallet jack and 4-way forklift access. These features allow for easy handling and promote excellent worker safety. With a 7:1 nesting ratio, the Uni-Pak® plastic container is a low-cost packaging solution that fits any need. Black color top and bottom. Grey color sleeve. Proudly made in the USA.

Part #: UP404830-C

Special Features

Made in the USA

Pallet Pack Containers are proudly made in the USA.

Securely Stack

Pallet pack containers can securely stack on top of one another.

Interlocking System

Pallet pack sleeves lock securely into the pallet pack base and lid.

RPP Containers® warrants its containers for proper fit, form and function for a period of one year from date of shipment by RPP Containers. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e., forklift damage etc.). Customer is responsible for all freight charges.
