

PE and Sports Funding at CTK

Sports Provision at Christ the King

We are proud of the PE curriculum and sporting opportunities that we have on offer at Christ the King Catholic Primary School. We firmly believe that sport not only contributes to the physical development of pupils but also makes a significant contribution to pupils' personal well-being and enjoyment of school. Each class receives a total of two hours PE a week taught by class teachers.

Sports Premium

The government has provided additional funding of £150 million per annum for last three years (2013-2016) academic years, to improve provision of PE and sport in primary schools. This funding is provided jointly by the Departments for Education, Health and Culture, Media and Sport and must be spent on PE and sport provision. The additional funding has been allocated to schools to develop a sports legacy following from the London Olympics 2012.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools. Schools must spend the additional funding on improving their provision of PE and sport, but have the freedom to choose how they do this.

At Christ the King Catholic Primary School, in 2015-16 the total Sports Premium we received was £8,516
