

PE and Sports Funding at CTK 2017-18 Impact Statement

Sports Provision at Christ the King

We are proud of the PE curriculum and sporting opportunities that we have on offer at Christ the King Catholic Primary School. We firmly believe that sport not only contributes to the physical development of pupils but also makes a significant contribution to pupils' personal well-being and enjoyment of school. Each class receives a total of two hours PE a week taught by class teachers.

Sports Premium

The government has provided additional funding of £150 million per annum for last four years (2013-2016) academic years, to improve provision of PE and sport in primary schools. This funding is provided jointly by the Departments for Education, Health and Culture, Media and Sport and must be spent on PE and sport provision. The additional funding has been allocated to schools to develop a sports legacy following from the London Olympics 2012.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools. Schools must spend the additional funding on improving their provision of PE and sport, but have the freedom to choose how they do this.

At Christ the King Catholic Primary School, in 2017-18 the total Sports Premium we received was £13,729

We will spend our Sports Grant Premium on in 2018-19:

- Membership of the Thornbury Cluster Partnership, to organise interschool competitions and festivals for all year groups. PE leader attend meetings throughout the year
- Funding of transport to our South Gloucestershire Catholic Schools Partnerships to competitions and festivals. PE leader to attend two meetings to organise events and share good practice.
- Release time for PE Leader and teachers to attend competitions.
- CPD for teaching staff in PE and sport.
- PE equipment audit and update of all resources.
- Specialist coaches to deliver aspects of the PE curriculum especially gymnastics.

Academic Year: 2017/2018		Total fund allocated: £8,597

Swimming and Water Safety (Cohort 2016-17): The class had 65% SEND with 4 ECPH needs. 20 children in the cohort.	Please fill out all of the below:
• What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	75%
• What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	75 %
• What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	75 %
• Schools can choose to use the primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No
