Bringing integrity and excellence into every home

HOW THIS POSITION CONTRIBUTES TO OUR SUCCESS

The Electrician's Assistant makes it possible for us to serve our clients more efficiently and effectively by providing assistance to the electricians and reducing the amount of time a job will take. The Electrician's Assistant also makes it possible to complete more jobs at one time because we will not have to have multiple electricians tied up on a single job when it isn't necessary.

PERFORMANCE WILL BE EVALUTATED ON...

1. Adherence to company values and culture
2. Client reviews
3. Relationship with team members
4. Profitability
