HST - Using the 2¾” squares and the half square triangle directions, make a total of 32 HST units, square to 2”.

HST-A Use 8 of fabrics 1/9 (yields 16)
HST-B Use 8 of fabrics 3/9 (yields 16)

Three Color Flying Geese A & B, Make 8 each

Step 1 - Geese A: Sew a fabric 6 triangle to the right side of fabric 1 base triangle aligning bottom edges as shown at bottom left. Flip & press to base.
Step 2: Add the fabric 8 triangle to the left side. Flip and press to triangle. Square geese to 2” x 3½”.
Make 8 FG-A.

Step 3- Geese B: Sew a fabric 8 triangle to the right side of fabric 1 base triangle aligning bottom edges as shown at bottom left. Flip & press to base.
Step 4: Add the fabric 6 triangle to the left side. Flip and press to triangle. Square geese to 2” x 3½”. Make 8 FG-B.

Step 1: Sew the 18” strips of fabrics 6 & 8 together as shown.
Step 2: Press and cut 8 - 2” sections.
Step 3: Make 4 - Four-Patch blocks as shown. Blocks measure 3½” square.
Add the HST-A to both sides of two FG-B as shown.

Add the FG-A to the sides of the Four-Patches as shown. Add the FG units to the top & bottom.

**Sew & Flip Corners** - Make 16 sections as shown using the Sew & Flip method, with the 2” x 6½” fabric 3 lengths and fabric 9 squares. Add the HST-B as shown.

Following the steps in the diagrams below, make 4 - Block 10 stars. Stars measure 9½” square. Set aside for pg. 18.

Step 1: Stop stitching ½” before center block edge.

Step 2

Step 3

Step 4

Step 5: Finish stitching first side.
