In the first printing of the Quarry pattern, the sewing instructions for all Hour Glass blocks & Three-Part Blocks are reversed. Please use the directions below to get the same color placement as the colored picture & diagrams. All patterns with "• 5-18" on the bottom of each page after the copyright have been corrected.

IF YOU HAVE ALREADY MADE YOUR BLOCKS YOUR QUILT WILL just be mirror image of the front cover. See mirror image quilt picture.

|   | Step 1: Draw an X on all fabric 8 & 14 squares.  
|---|------------------------------------------------|
| A | Note: It is important to follow the layering order of fabrics instructed below to achieve hour glass color placement.
