**Step 5:** Make horizontal cuts to each section as shown in the diagram at left.

From each 16½” square you will get:
- 2 - 6½” squares (one light & one dark)
- 2 - 6½” Half Square Triangles
- 2 - 3½” x 6½” light rectangles
- 1 - 3½” x 9½” with a light triangle corner
- 1 - 3½” x 6½” dark rectangle

**Step 6 - Forming the Block:** Rotate a different number of fabrics to the bottom of each pile until there are no duplicate fabrics showing on the top block. Stitch blocks together working from top to bottom then left to right. Press as directed by arrows. You will get 1 block per fat quarter used.
