**Quilt Finishing for All Sizes**

**Step 1:** Sandwich the top, batting and backing; quilt as desired.

**Step 2:** Trim strips set aside for binding to 2½” wide. For the 16 & 20 block layouts cut 1-2 additional 2½” strips from the extra fat quarter.

**Step 3:** Place binding strips right sides together at a 90° angle. Stitch on 45° angle and trim corner seams to ¼”. Repeat, adding the rest of the binding strips alternating colors. *Note: Always sew from top left to bottom right.*

**Step 4:** Fold binding in half, wrong sides together and press. Sew to the front side of the quilt and stitch to back of quilt by hand.
