## INCREASED REACH: Central Florida joins the Renaissance!

*Renaissance Jax will be managing the FIRST LEGO League program in Central Florida as Renaissance CFL, which includes the counties of*

- Volusia
- Sumter
- Lake
- Polk
- Osceola
- Brevard
- Orange
- Seminole

***This brings the total number of counties under Renaissance management to 28, the largest program region in Florida.***

# SUMMER CAMPS

## ROBOT BOOTCAMP™ Baker Hughes a GE Company

- 1-week intensive ROBOT BOOTCAMP™ for children of BHGE employees
- Managed by RJAX and the Crazy Cat Ladies FIRST Tech Challenge Team
- 30 students worked in small teams to program and build a robot

## RJAX STEAM Powered Summer

- Our first grant-funded camp with Kids Hope Alliance
- Manufacturing, FIRST LEGO League Robot Bootcamp, mask-making and performance choreography.
- A major shop overhaul with PRI

## JEA and the Science that Makes the City Run

- A new program offering in partnership with a company; the first cohort consisted of 24 students from Duval County high schools and mentors from FIRST Tech Challenge teams.

***"The [JEA] program opened my eyes to new and better opportunities."***
