

St Cuthbert's CofE Primary School

Admissions Arrangements for 2018/19 Academic Year

These admission arrangements apply to all applications for admissions to St Cuthbert's CofE Infant School for reception entry in September 2018 and any in year applications from 1st September 2018.

Introduction

The Admissions Authority for St Cuthbert's CofE Infant School is the Governing Body (the Academy Trust). An Admissions Committee comprising of at least three Governors is responsible for taking all admission decisions for children starting in reception and for joining the school during the academic year.

Somerset Local Authority is responsible for co-ordinating all applications for children starting school. These admissions arrangements should be read in conjunction with Somerset's published 2018 Co-ordinated Admissions Scheme and the Composite Prospectus 'Starting School Guide for Parents, which will be available on the Council website from 12 September 2017.

The published Admission Number

The Governing Body has set an Admission Number of 60 for the year of entry.

Applying for a school place

In order to be considered for a place at St Cuthbert's CofE Infant School, an application form must be completed. Starting school applications can be made on-line at www.somerset.gov.uk/admissions or a paper form can be obtained from Somerset Local Authority. The In-Year application form is available from the School. If there is additional information which should be considered this must be submitted at the same time as the application form using the Supplementary Information Form (SIF). School place application forms must be received by the following closing dates and times:

Applications for the reception year in 2018

The closing date for reception year applications in September 2018 is 23:59 hours on 15 January 2018. Decision letters will be sent out by the 'home' Local Authority on or about 16 April 2018. Applications received after the closing date will be recorded as 'late' and will not be administered until all on time applications have been considered by which time places may no longer be available within the Published Admission Number. Places will be allocated strictly in accordance with the National Equal Preference with Ranking allocation method.

Where a place is offered, the parent may choose for their child to start on a full time basis from day one, or is below compulsory school age on a part time basis until this is reached in the term following the fifth birthday. A parent can also delay school entry for one year for a summer born child (born 1 April - 31 August).

In Year Applications

Applications for a place during the academic year must be made directly to the school office, by completing the In-Year Application Form available on the school website or from the School Office. Applications will not be processed more than six school weeks

in advance of the place being required. Proof of address may be required in connection with the application. This will be either the formal 'exchange of contract' letter from the solicitor for a house buy, a recent utility bill or the signing of a minimum six month tenancy agreement. The Governing Body reserves the right to seek further documentary evidence to support a claim of residence.

The Governors' Admissions Committee will consider applications on a weekly basis with a 4pm deadline every Friday. Where possible, applicants will receive a written response within 10 school days following receipt of the application. Where a school place is offered it will be held open for 14 school days and applicants will need to confirm acceptance within this time.

Oversubscription Criteria

The school will be required to admit any child with a Statement of Special Educational Needs (SEN), if the statement names the school, then;

1. Looked After Children – Children who are in the care of a Local Authority or have previously been and are now formally adopted (see important notes).
2. Children without a statement of Special Educational Needs, identified with a sensory, physical or medical disability (High Needs Pupils), where a multi-agency professional team has identified the School as the nearest accessible school. (See important notes).
3. Children living in the catchment area, with an older sibling at the school at the time of admission, and who live at the same address.
4. Children living in the catchment area.
5. Children living outside the catchment area, with an older sibling at the school at the time of admission, and who live at the same address.
6. a) Children of permanent staff employed at the school for at least two years prior to the application closing date.
b) Children of staff recruited to fill a vacant post for which there is a demonstrable skill shortage.
7. Children living nearest to the school measured as a straight line distance.

Important Notes

A 'looked after' child or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements order or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22 (1) of the Children Act 1989).

Criterion 2 enables schools to plan with SEN Officers for the school entry of children with physical, medical or sensory impairments, where significant capital works (eg, accessible toilets, changing

space, access to classrooms) are required. The lead time on these projects mean that school place outcome dates are too late for work to be completed in time for school entry in September. However, with the support of this criterion plans can be actioned with certainty early in the year.

Tie Breaker

In the event of oversubscription within any of the criteria listed above, preference will be given to applicants who live closest to the school, as measured in a straight line by a Geographical information System (GIS) method from the address point of the school site to the address point for the pupil's home. Where two distances are equal and it is therefore not possible to differentiate between them, priority will be determined by independent drawing of lots.

Multiple birth applications (for example twins)

In the case of multiple birth applications, where it would only normally be possible to admit one child within Admission Number, a place(s) will be allocated above Admission Number at the point of allocation. This will ensure that multiple birth siblings can be allocated places at the same school (sibling definition still applies).

Waiting Lists

Where an application has been refused, the child will be placed on a waiting list. This will be kept strictly in order of oversubscription criteria by the Governing Body, and will be maintained until the end of the academic year. Each time a name is added, the list will be reranked. Where places become available within the Admission Number they will be allocated to the highest ranked eligible child on the maintained list.

Children who are the subject of a direction by a Local Authority to admit or who are allocated to the school in accordance with the In-Year Fair Access Protocols, will take precedence over those children on a waiting list.

Withdrawal of places

The Governing Body will consider withdrawing the offer of a place if the place has been offered on the basis of an application which is subsequently found to be fraudulent or intentionally misleading, or the parent/carer has not responded to the offer within a reasonable period of time and a further opportunity has been given for the parent to respond within 10 days having explained that the offer may be withdrawn if they do not.

Issues relating to shared residency arrangements

Legislation and guidance states that only one offer per child is made. Therefore where separated parents each submit an application for their child, the Local Authority will require parents to resolve matters between themselves. If an agreement cannot be reached parents may wish to seek legal advice. The Admission Authority will not become involved in private disputes. The Local Authority does recognise that there may be situations where parents cannot ultimately reach an agreement between

themselves and it is, therefore, necessary for the Local Authority to take a decision. Where this is the case the Local Authority will try to establish where the child spends the majority of their time and prioritise the application made by the parent living at this address.

Each parent will be required to write to the Local Authority and inform them of the number of days each week the child spends with them. Where the child spends equal time with both parents the Local Authority may ask for additional information, such as the name of the GP surgery at which the child is registered. When the Local Authority has received all the necessary information from both parents a decision will be reached by the Admission Authority based on the evidence provided.

Retained or Accelerated Entry

The Admission Authority will consider applications for retained or accelerated entry in cases where parents would like their child to be admitted to a year group either side of their child's relative (chronological) year group. The reasons for the request must be in writing with any supporting evidence and included with the school place application form.

Children from Overseas

The Governing Body will only allocate a place to anyone moving into the country from abroad if they have documentary evidence of a home address and copies of the passport and/or visa if required. The only exceptions are children of UK Service personnel and other Crown servants (including Diplomats) returning to the area.

Appeals

Applicants whose school place application is turned down have the legal right to appeal against the decision to refuse admission. Details concerning how to appeal are explained in the decision letter sent out when a place is refused.

Children of UK Service Personnel

The Admissions Authority endeavour to ensure that their admission arrangements support the Government's commitment to removing disadvantage for service children. In year applications are usually considered for admission up to a maximum of half a term in advance of the place being taken up. An exception is made for children of UK service personnel and other Crown servants where a place can be made available up to a year in advance of being required providing the appropriate documentation is provided (an official government letter (e.g. MOD, FCO or GCHQ) declaring a relocation date and intended address.)

Usually, an in year place may be allocated prior to actual residency, only on receipt of exchange of contracts or a formal signed rental agreement. An exception is made for children of UK service personnel and other Crown servants. This means that, providing the application is accompanied by an official government letter (e.g. MOD, FCO or GCHQ) declaring a relocation date and intended address, The admissions authority will process the application on that address. If a home address is not available at this stage the admissions authority will accept a unit postal address or quartering area address.

If the parent/carer is moving to the area as a result of leaving the armed forces then no special consideration will be given to the application under the grounds of the application being made by a service family.

Definitions:

Home Address

The home address is very important, as school places are allocated on the basis of the home address of each child. A child's home address is considered to be where the child spends the majority of their time with parents or carers.

Documentary evidence of home ownership or suitable rental agreement may be required, together with proof of permanent residence at the property concerned. Places cannot be allocated on the basis of an intended future address, unless the house move can be confirmed through the formal 'exchange of contracts' or the signing of a minimum of a six month tenancy agreement. The Admission Authority reserves the right to seek further documentary evidence to support a claim of residence. An address used for childcare arrangements cannot be used as a home address for the purpose of applying for a school place. Fraudulent claims relating to the home address of a particular child may lead to the withdrawal of any offer of a school place.

The Admissions Authority must be notified of any change of address during the admissions procedure.

Sibling

For the purpose of admissions, a sibling is defined as a child living at the same address as a half or full brother or sister, an adoptive brother or sister or children of the same household.

Parent/Carer

Natural parents, whether they are married or not, any person who, although not a natural parent, has parental responsibility for a child or young person. Any person who, although not a natural parent, has care of a child or young person (having care of a child or young person means that a person with whom the child lives and who looks after the child, irrespective of what their relationship is with the child is considered to be a parent in education law).

Distance Measurements

For the purpose of measuring home to school distance, all calculations will be measured using a straight-line measurement from the address point of the home to the address point of the school using the GIS mapping system. (Address Point is a dataset that uniquely defines and locates residential, business and public postal addresses in Great Britain. It is created by matching information from Ordnance Survey digital map databases with more than 27 million addresses recorded in the Royal Mail). In the case of multi-level dwellings such as flats, the staircase will be included in the distance measurement.
