

ICOI FELLOWSHIP PRESS RELEASE

Dr. Stephanie Tilley of Pensacola, FL earned Fellowship status in The International Congress of Oral Implantologists (ICOI) November 13, 2019.

The awarding of Fellowship status is an honor which a professional society such as the ICOI bestows on a dental professional involved in dental implant treatment. The ICOI has a Fellowship program in which active members are encouraged to achieve Fellowship status through their efforts in education, research and actual clinical experience. All Fellows of the ICOI may choose to list the designation “FICOI” after their names.

The International Congress of Oral Implantologists is a tax-exempt, non-profit, worldwide dental educational organization. It is dedicated to communicating scientific knowledge and improving the clinical practice of dental implantology worldwide. The ICOI has public information programs, publishes a bimonthly journal and a quarterly newsletter. It conducts numerous scientific symposia each year and supports research and education through its Implant Dentistry Research and Education Foundation (IDREF).

For more information, log on to ICOI’s website www.icoi.org.
