Dear Friends,

This year we are hosting a golf outing as a memorial to Bill Conte. It’s truly wonderful now, Bill was a respected and active member of the community.

Bill was a retired firefighter and builder, who, as a dedicated family man, worked hard to offer his family every opportunity for a better life. And yet unfortunately, Bill was taken from us all too soon.

In his honor, our family would like to help raise funds for The GRACE Foundation, a remarkable, locally based organization that works tirelessly to provide programs and services for individuals diagnosed with Autism Spectrum Disorder (ASD).

The GRACE Foundation provides support and service to individuals and families affected with Autism Spectrum Disorder for twenty years. Throughout the years, GRACE has become a family. Most of the participants and their loved ones look forward to experiencing the fun, improving skills, and supportive team environment that GRACE provides.

With your help, we can make this a great event, to honor Bill’s memory, and for the children of the GRACE Foundation.

The Conte Family
