

# GET THE RECOGNITION YOUR SPONSORSHIP DESERVES

## BLOW MOLDING QUARTERLY

provides technical and non-technical content aimed directly at the blow molding industry and members of the SPE Blow Molding Division. This professional journal is the perfect platform for your sponsorship to get the recognition it deserves!

The inaugural issue of BLOW MOLDING QUARTERLY launched February 24, 2017. The Division will produce four issues per year with the first and third quarters in print which will be mailed to all members of the Blow Molding Division, and in digital format which can be viewed at [blowmoldingdivision.org](http://blowmoldingdivision.org). Second and fourth quarters are available to members in digital format only.
