If you receive a call from "Expo Housing Service" requesting that you book your accommodations for the ABC through their service, PLEASE DO NOT USE THEM. This is a scam service that trolls the internet looking for conferences, takes that information and pretends to be contracted by the event's hotel to book rooms on their behalf. If you receive a call from anyone at this company, DO NOT book with them under any circumstances. If you did book a room through their service, you should check with the Doubletree by Hilton Hotel as you may not actually have a room at the hotel.

The Doubletree Hotel by Hilton Chicago-Oak Brook is conveniently located between downtown Chicago and the sprawling suburbs. The hotel is approximately 10 miles (or 20-35 min.) from O'Hare International Airport and 15 miles (or 35-50 min.) from Midway International Airport.

When arriving at O'Hare or Midway airports, be sure to select a "suburban" taxi service. Suburban services generally charge a flat fare to Oak Brook hotels. Chicago "city" taxis may not pick up return fares in the suburbs and are permitted to charge the metered fare plus one half, which may be costly. To avoid the additional charge, select a suburban taxi. Call American Taxi to pre-order your taxi at 800-241-1177 or visit them at www.american taxi.com. Super Shuttle is available also. Call (800) 258-3826 for shuttle reservations.
