

RON WEBB | LMFT, MDIV PROGRAM DIRECTOR

Ron is a retired US Army Chaplain ordained by the Evangelical Free Church of America, who has a passion to help struggling people come to a more loving and full life in Christ. Ron is also a licensed marriage & family therapist, experienced in marriage, premarital, family, and individual counseling, and is uniquely adept in leading dynamic retreats and seminars for couples and families. Ron is trained in various modes of trauma therapy, including the use of EMDR (Eye-Movement Desensitization & Reprocessing) a highly effective treatment for trauma.

Ron's military experience serves him well in a community like Fayetteville, as he relates to and understands the challenges of military life.

PASTORAL COUNSELING SERVICES

Helping you thrive...
...not just survive.

- At Thrive Counseling & Consulting, our Pastoral Counseling Team's passion is to help your church or organization provide care for the deeper and more complicated needs of your members. We believe that life is worth celebrating; and while we can't change difficult situations of the past, we can help people work toward biblical understandings and resolutions of life's biggest challenges. By applying biblical principles and truths with complementary therapy approaches and techniques, we seek to help people move toward their Creator so that they may experience a thriving, fulfilling, and meaningful spiritual life.
- Care through the Pastoral Counseling Program is offered at \$50/hour, with a minimum package of 24 hours. The process is quick and efficient:
- Sign a contract for the amount of care you want.
 - Make your full payment.
 - Installment payment.
 - Refer your participants to our Pastoral Staff for care.
 - Receive monthly updates from Thrive to keep track of the hours remaining on your balance.

You can assure the participants in this program that their information and treatment will be confidential. As licensed therapists and pastors, all of Thrive's counselors are mandated to strictly follow federal confidentiality and HIPAA. Treatment that needs to be coordinated with pastoral confidentiality and HIPAA.

Treatment that needs to be worked out on a case-by-case basis with select participating church body oversight is coordinated with pastoral or church body oversight is based on a case-by-case basis with select participating church members of your church.
