

BRIER LAKE

A great place to live!

ECC Requests

Brier Lake is known for its beautiful setting and large, wooded lots. We preserve the aesthetics of our subdivision by enforcing our Restrictive Covenants. Before you cut down a tree, build a fence, put in a pool or make any other change to your property that requires the approval of the Environmental Control Committee please make sure to submit your request and supporting documentation to Gulf South Property Management. A checklist of documentation needed as well as the ECC application can be found on our website.

The next annual Association meeting will be held on Thursday, February 8, 2018 at 7:30 p.m. at the VFW Hall in Lacombe.
